NOTICE OF ANNUAL GENERAL MEETING OF SHAREHOLDERS TO BE HELD JUNE 7, 2022

TO OUR SHAREHOLDERS:

Notice is hereby given that the 2022 annual general meeting of shareholders (the "Annual Meeting") of Cambium Networks Corporation, an exempted company incorporated with limited liability under the laws of the Cayman Islands (the "Company"), will be held in a virtual-only format on June 7, 2022, at 10:00 a.m. Pacific Time, from the Company's offices located at 2590 N. 1st Street, Suite 220, San Jose, California 95131. The Annual Meeting will be a "virtual meeting" of shareholders, which will be conducted exclusively via the Internet at a virtual web conference. There will not be a physical meeting location, and shareholders will not be able to attend the Annual Meeting in person. The Annual Meeting will be held to consider the following matters, as more fully described in the proxy statement accompanying this notice:

1. the election of the two Class III directors named in the proxy statement;
2. the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2022; and
3. the transaction of such other business as may properly come before the meeting, or any adjournment or postponement thereof.

Shareholders of record at the close of business on April 14, 2022 are entitled to notice of, and to vote at, the Annual Meeting and any adjournment or postponement thereof. In order to attend the Annual Meeting virtually, shareholders must register in advance at <https://www.proxydocs.com/CMBM>. You will be required to enter the control number found on your proxy card, voting instruction form or Notice of Electronic Availability that you previously received. Upon completing your registration, you will receive further instructions via email, including your unique links that will allow you to access the meeting and will permit you to submit questions during the meeting. You will also be permitted to submit questions at the time of registration. You may ask questions that are confined to matters properly before the Annual Meeting and of general company concern.

We encourage you to access the meeting prior to the start time. Online access will open approximately at 9:45 a.m. Pacific Time, and you should allow ample time to log in to the meeting and test your computer audio system. We recommend that you carefully review the procedures needed to gain admission in advance. If you encounter any difficulties accessing the virtual meeting during the check-in or meeting time, please call the technical support number included in the email you will receive before the meeting with your unique link allowing you to access the meeting. Should you need to vote during the meeting before voting closes, instructions on how to submit your vote will also be included in the email.

YOUR VOTE IS IMPORTANT.

You may cast your vote over the Internet, by telephone or by completing and mailing a proxy card. Returning the proxy does not deprive you of your right to attend the Annual Meeting in virtual format only and to vote your shares during the meeting.

Proxies forwarded by or for banks, brokers or other nominees should be returned as requested by them. We encourage you to vote promptly to ensure your vote is represented at the Annual Meeting, regardless of whether you plan to attend virtually.

ANNUAL GENERAL MEETING OF SHAREHOLDERS TO BE HELD ON JUNE 7, 2022

PROXY STATEMENT

GENERAL INFORMATION

This proxy statement is furnished to shareholders of Cambium Networks Corporation, an exempted company incorporated with limited liability under the laws of the Cayman Islands (the “Company”), in connection with the solicitation of proxies by our board of directors for use at our 2022 annual general meeting of shareholders to be held on June 7, 2022 (the “Annual Meeting”), and at any adjournment or postponement thereof. The Annual Meeting will be held in a virtual-only format at 10:00 a.m. Pacific Time from the Company's offices located at 2590 N. 1st Street, Suite 220, San Jose, California 95131. Shareholders will not be able to attend the Annual Meeting in person, but are invited to attend virtually. In order to attend the Annual Meeting virtually, shareholders must register in advance at <https://www.proxydocs.com/CMBM>. During the registration process, shareholders will be able to submit questions and upon completion, will receive an email with a link to access the virtual meeting site and information regarding voting and asking questions during the meeting.

As permitted by the rules of the Securities and Exchange Commission (the “SEC”), we are making this proxy statement and our Annual Report on Form 10-K for the fiscal year ended December 31, 2021 available to our shareholders electronically via the Internet at <https://www.proxydocs.com/CMBM>. On or about April 25, 2022, we mailed to our shareholders a Notice of Internet Availability of Proxy Materials (“Internet Notice”), containing instructions on how to access this proxy statement and vote online or by telephone. If you received an Internet Notice by mail, you will not receive a printed copy of the proxy materials in the mail unless you specifically request them pursuant to the instructions provided in the Internet Notice. The Internet Notice instructs you on how to access and review all of the important information contained in this proxy statement.

We are an “emerging growth company” as defined in the Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”). Because we are an emerging growth company, we are not required to include a Compensation Discussion and Analysis section in this proxy statement and have elected to comply with the scaled-down executive compensation disclosure requirements applicable to emerging growth companies. In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on an advisory basis, of the compensation of our named executive officers or the frequency with which votes must be conducted.

**THE INFORMATION PROVIDED IN THE “QUESTIONS AND ANSWERS” FORMAT BELOW IS FOR YOUR
CONVENIENCE ONLY AND IS MERELY A SUMMARY OF THE INFORMATION CONTAINED IN THIS PROXY
STATEMENT. YOU SHOULD READ THIS ENTIRE PROXY STATEMENT CAREFULLY.
QUESTIONS AND ANSWERS**

Why am I receiving these materials?

We are distributing our proxy materials because our board of directors is soliciting your proxy to vote at the Annual Meeting. This proxy statement summarizes the information you need to vote at the Annual Meeting. You do not need to attend the Annual Meeting to vote your shares.

Pursuant to SEC rules, we are providing access to our proxy materials via the Internet. Accordingly, we are sending an Internet Notice to all of our shareholders as of the record date. All shareholders may access our proxy materials on the website referred to in the Internet Notice. You may also request to receive a printed set of the proxy materials. You can find instructions regarding how to access our proxy materials via the Internet and how to request a printed copy in the Internet Notice. Additionally, by following the instructions in the Internet Notice, you may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. We believe that these rules allow us to provide our shareholders with the information they need while lowering the costs of delivery and reducing the environmental impact of the Annual Meeting.

What proposals will be voted on at the Annual Meeting?

Shareholders will vote on two proposals at the Annual Meeting:

- the election of two Class III directors named in this proxy statement; and
- the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2022.

We will also consider other business, if any, that properly comes before the Annual Meeting.

What happens if other business not discussed in this proxy statement comes before the meeting?

The Company does not know of any business to be presented at the Annual Meeting other than the proposals discussed in this proxy statement. If other business comes before the meeting and is proper under our Amended and Restated Memorandum and Articles of Association and Cayman Islands law, the Company representatives will use their discretion in casting all of the votes that they are entitled to cast.

How does the board of directors recommend that shareholders vote on the proposals?

Our board of directors recommends that shareholders vote “FOR” the election of the Class III directors and “FOR” the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2022.

Who is entitled to vote?

The record date for the Annual Meeting is the close of business on April 14, 2022. As of the record date, 26,825,297 ordinary shares, par value \$0.0001 per share, were outstanding. Only holders of record of our ordinary shares as of the record date will be entitled to notice of and to vote at the Annual Meeting or any adjournment or postponement thereof. Each shareholder is entitled to one vote for each share of our ordinary shares held by such shareholder on the record date.

What do I need for admission to the Annual Meeting?

Our Annual Meeting will be a virtual meeting of shareholders where shareholders will participate by accessing an Internet website. We believe that hosting a virtual meeting will facilitate shareholder attendance and participation at our Annual Meeting by enabling shareholders to participate remotely from any location around the world. Our virtual meeting will be governed by our Rules of Conduct and Procedures which will be posted at www.proxydocs.com/CMBM in advance of the meeting. We have designed the virtual Annual Meeting to provide the same rights and opportunities to participate as shareholders would have at an in-person meeting, including the right to vote and ask questions through the virtual meeting platform.

We will host the Annual Meeting live online and shareholders will not be able to attend the Annual Meeting in person. There will not be a physical meeting location. You may attend the Annual Meeting live online at www.proxydocs.com/CMBM. The webcast will start at 10:00 a.m., Pacific Time. You will need the control number included in your proxy materials in order to be able to enter the Annual Meeting. Instructions on how to attend and participate online, including how to demonstrate proof of share ownership, are posted at www.proxydocs.com/CMBM. In order to attend the Annual Meeting virtually, shareholders must register in advance at <https://www.proxydocs.com/CMBM> prior to the meeting start time on June 7, 2022. During the registration process, shareholders will be able to submit questions and upon completion, will receive an email with a link to access the virtual meeting site and information regarding voting and asking questions during the meeting. Information contained on this website is not incorporated by reference into this proxy statement or any other report we file with the SEC.

Online check in will begin at 9:45 a.m., Pacific Time on June 7, 2022, and you should allow ample time for the online check-in proceedings. We will have technicians standing by and ready to assist you with any technical difficulties you may have accessing the virtual meeting starting at 10:00 a.m., Pacific Time on June 7, 2022. If you encounter any difficulties accessing the virtual meeting during the check-in or meeting time, please call the number included in your proxy materials.

We designed the format of the online Annual Meeting to ensure that our shareholders who attend our Annual Meeting will be afforded the same rights and opportunities to participate as they would at an in-person meeting and to enhance shareholder access, participation and communication through online tools. We plan to take the following steps to provide for such an experience:

- providing shareholders with the ability to submit appropriate questions up to 15 minutes in advance of the meeting;
- providing shareholders with the ability to submit appropriate questions real-time via the meeting website, limiting questions to one per shareholder unless time otherwise permits; and
- answering as many questions submitted in accordance with the meeting rules of conduct as appropriate in the time allotted for the meeting.

How can I vote my shares without attending the Annual Meeting?

If you are a holder of record of ordinary shares of the Company, you may direct your vote without attending the Annual Meeting by following the instructions on the Internet Notice or proxy card to vote by Internet or by telephone, or by signing, dating and mailing a proxy card.

If you hold your shares in street name via a broker, bank or other nominee, you may direct your vote without attending the Annual Meeting by signing, dating and mailing your voting instruction card. Internet or telephonic voting may also be available. Please see your voting instruction card provided by your broker, bank or other nominee for further details.

Can I change my vote or revoke my proxy?

You may change your vote or revoke your proxy at any time before it is voted at the Annual Meeting. If you are a shareholder of record, you may change your vote or revoke your proxy by:

- delivering to us (Attention: Corporate Secretary) at the address on the first page of this proxy statement a written notice of revocation of your proxy;
- delivering to us an authorized proxy bearing a later date (including a proxy over the Internet or by telephone); or
- attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not, by itself, revoke a proxy.

If your shares are held in the name of a bank, broker or other nominee, you may change your vote by submitting new voting instructions to your bank, broker or other nominee. Please note that if your shares are held of record by a bank, broker or other nominee, and you decide to attend and vote at the Annual Meeting, your vote in person at the Annual Meeting will not be effective unless you present a legal proxy, issued in your name from the record holder (your bank, broker or other nominee).

What is a broker non-vote?

Brokers, banks or other nominees holding shares on behalf of a beneficial owner may vote those shares in their discretion on certain “routine” matters even if they do not receive timely voting instructions from the beneficial owner. With respect to “non-routine” matters, the broker, bank or other nominee is not permitted to vote shares for a beneficial owner without timely received voting instructions. The only routine matter to be presented at the Annual Meeting is the proposal to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2022 (Proposal Two). The election of two Class III directors (Proposal One) is a non-routine matter.

A broker non-vote occurs when a broker, bank or other nominee does not vote on a non-routine matter because the beneficial owner of such shares has not provided voting instructions with regard to such matter. If a broker, bank or other nominee exercise their discretionary voting authority on Proposal Two, such shares will be considered present at the Annual Meeting for quorum purposes and broker non-votes will occur as to Proposal One, or any other non-routine matters that are properly presented at the Annual Meeting. Broker non-votes will have no impact on the voting results.

What constitutes a quorum?

The presence at the Annual Meeting, either in person or by proxy, of holders of a majority of the aggregate number of shares of our issued and outstanding ordinary shares entitled to vote thereat as of the record date shall constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be counted as present for the purpose of determining whether a quorum is present at the Annual Meeting.

What vote is required to approve each matter to be considered at the Annual Meeting?

Proposal One: Election of Directors.

Our Amended and Restated Memorandum and Articles of Association provide for a plurality voting standard for the election of directors. The two directors receiving the highest number of “FOR” votes will be elected as Class III directors. An abstention or a broker non-vote on Proposal One will not have any effect on the election of directors.

Proposal Two: Ratification of the Appointment of KPMG LLP as Our Independent Registered Public Accounting Firm for the Fiscal Year Ending December 31, 2022.

The affirmative vote of the majority of our ordinary shares present in person or represented by proxy and entitled to vote at the Annual Meeting is required for the approval of Proposal Two. An abstention on Proposal Two will have the same effect as a vote “AGAINST” Proposal Two. Brokers will have discretionary authority to vote on this proposal. Accordingly, there will not be any broker non-votes on Proposal Two.

What is the deadline for submitting a proxy?

To ensure that proxies are received in time to be counted prior to the Annual Meeting, proxies submitted by Internet or by telephone should be received prior to the start time of the Annual Meeting, and proxies submitted by mail should be received by the close of business on the day prior to the date of the Annual Meeting.

What does it mean if I receive more than one Internet Notice or proxy card?

If you hold your shares in more than one account, you will receive an Internet Notice or proxy card for each account. To ensure that all of your shares are voted, please complete, sign, date and return a proxy card for each account or use the Internet Notice or proxy card for each account to vote by Internet or by telephone. To ensure that all of your shares are represented at the Annual Meeting, we recommend that you vote every Internet Notice or proxy card that you receive.

How will my shares be voted if I return a blank proxy card or a blank voting instruction card?

If you are a holder of record of our ordinary shares and you sign and return a proxy card or otherwise submit a proxy without giving specific voting instructions, your shares will be voted:

- “FOR” the election of each of the two Class III nominees for director named in this proxy statement; and
- “FOR” the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2022.

If you hold your shares in street name via a broker, bank or other nominee and do not provide the broker, bank or other nominee with voting instructions (including by signing and returning a blank voting instruction card), your shares:

- will be counted as present for purposes of establishing a quorum;
- will be voted in accordance with the broker’s, bank’s or other nominee’s discretion on “routine” matters, which includes only the proposal to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2022 (Proposal Two); and
- will not be counted in connection with the election of two Class III directors (Proposal One), or any other non-routine matters that are properly presented at the Annual Meeting. For each of these proposals, your shares will be treated as “broker non-votes.” A broker non-vote will have no impact on voting results.

Our board of directors knows of no matter to be presented at the Annual Meeting other than Proposals One and Two. If any other matters properly come before the Annual Meeting upon which a vote properly may be taken, shares represented by all proxies received by us will be voted with respect thereto as permitted and in accordance with the judgment of the proxy holders.

Who is making this solicitation and who will pay the expenses?

This proxy solicitation is being made on behalf of our board of directors. All expenses of the solicitation, including the cost of preparing and mailing the Internet Notice or this proxy statement, will be borne by the Company.

Will a shareholder list be available for inspection?

A list of shareholders entitled to vote at the Annual Meeting will be available at the Annual Meeting and, for 10 days prior to the Annual Meeting, at Cambium Networks, Inc., 3800 Golf Road, Suite 360, Rolling Meadows, Illinois 60008 between the hours of 8:00 a.m. and 5:00 p.m. Central Time.

What is “householding” and how does it affect me?

We have adopted a procedure approved by the SEC called “householding.” Under this procedure, we send only one proxy statement and one annual report to eligible shareholders who share a single address, unless we have received instructions to the contrary from any shareholder at that address. This practice is designed to eliminate duplicate mailings, conserve natural resources and reduce our printing and mailing costs. Shareholders who participate in householding will continue to receive separate proxy cards.

If you share an address with another shareholder and receive only one set of proxy materials but would like to request a separate copy of these materials, please send a request to: Cambium Networks Corporation, attention: General Counsel, c/o Cambium Networks, Inc., 3800 Golf Road, Suite 360, Rolling Meadows, Illinois 60008, +1 (847) 264-2188. Similarly, you may also contact us at the address above if you receive multiple copies of the proxy materials and would prefer to receive a single copy in the future. If you own shares through a bank, broker, or other nominee, you should contact the nominee concerning householding procedures.

How can I find out the results of the voting at the Annual Meeting?

We will announce preliminary voting results at the Annual Meeting. We will also disclose voting results on a Current Report on Form 8-K that we will file with the SEC within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Current Report on Form 8-K within four business days after the Annual Meeting, we will file a Current Report on Form 8-K to publish preliminary results and will provide the final results in an amendment to this Current Report on Form 8-K as soon as they become available.

When are shareholder proposals due for next year’s annual general meeting of the shareholders?

Our shareholders are entitled to present proposals for action at a forthcoming meeting if they comply with the requirements of our Amended and Restated Memorandum and Articles of Association and the rules established by the SEC. Under Rule 14a-8 under the Securities Exchange Act of 1934 (the “Exchange Act”), if you want us to include a proposal in the proxy materials for our 2023 annual general meeting of shareholders, we must receive the proposal at our executive offices at 3800 Golf Road, Suite 360, Rolling Meadows, Illinois 60008 not later than December 26, 2022. Proposals must comply with the proxy rules relating to shareholder proposals, in particular, Rule 14a-8 of the Exchange Act, to be included in our 2023 proxy materials.

Shareholders who wish to submit a proposal or nomination for consideration at our 2023 annual general meeting of shareholders, but do not wish to submit a proposal for inclusion in our proxy materials pursuant to Rule 14a-8 under the Exchange Act, should deliver a copy of their proposal or nomination for receipt no earlier than February 7, 2023 and not later than March 9, 2023. Any such notice also must meet certain other requirements specified in our Amended and Restated Memorandum and Articles of Association.

The proposal should be addressed to the attention of our General Counsel, Cambium Networks, Inc., 3800 Golf Road, Suite 360, Rolling Meadows, IL 60008 and we suggest that it be sent by certified mail, return receipt requested.

Whom can I contact for further information?

If you would like additional copies, without charge, of this proxy statement or if you have questions about the Annual Meeting, the proposals, or the procedures for voting your shares, you should contact our General Counsel at Cambium Networks, Inc., 3800 Golf Road, Suite 360, Rolling Meadows, IL 60008.

MATTERS TO BE CONSIDERED AT THE ANNUAL GENERAL MEETING

PROPOSAL ONE

ELECTION OF TWO CLASS III DIRECTORS

Controlled Company Status

We are a “controlled company” under Nasdaq rules because more than 50% of the voting power of our shares are held by Vector Cambium Holdings (Cayman), L.P. (“VCH, L.P.”) which, in turn, is owned by investment funds affiliated with Vector Capital, a leading global private equity firm (“Vector Capital”). We have relied upon the controlled company exemption relating to the board of directors and committee independence requirements under the Nasdaq listing rules. Pursuant to this exemption, we are exempt from the rules that would otherwise require that our board of directors consist of a majority of independent directors.

Shareholder Agreement

On June 26, 2019, we entered into the shareholder agreement (the “Shareholder Agreement”) between us and VCH, L.P. pursuant to which Vector Capital is entitled to nominate members of our board of directors as follows: so long as affiliates of Vector Capital own, in the aggregate, (i) more than 5% but up to 25% of our outstanding ordinary shares, Vector Capital will be entitled to nominate one director, (ii) more than 25% but up to 50% of our ordinary shares, Vector Capital will be entitled to nominate two directors or (iii) more than 50% of our ordinary shares, Vector Capital will be entitled to a number of directors proportionate to their voting interest.

Vector Capital currently holds approximately 53% of our outstanding ordinary shares. The directors currently on our board that were nominated by Vector Capital are Alexander Slusky and Robert Amen.

For more information on the Shareholder Agreement, see the section on “Certain Relationships and Related Party Transactions—Shareholder Agreement.”

General

Our board of directors currently consists of six directors, who are divided into three classes with staggered, three-year terms. Our Amended and Restated Memorandum and Articles of Association provides that the authorized number of directors may be changed only by resolution of our board of directors. At the Annual Meeting, our shareholders will elect two Class III directors, whose terms will expire at the annual general meeting of shareholders to be held in 2025. Each of our current directors continues to serve as a director until the election and qualification of his or her successor, or until his or her earlier death, resignation or removal.

Our board of directors nominated each of Bruce Felt and Kevin Lynch for election to our board of directors as Class III directors at the Annual Meeting. Both Mr. Felt and Mr. Lynch currently serve on our board of directors and have consented to be named in this proxy statement and have agreed to serve, if elected, until the 2025 annual general meeting of shareholders and until their successors have been duly elected and qualified or until their earlier resignation or removal.

The following table sets forth information with respect to our directors, including the two nominees for election at the Annual Meeting:

Bruce Felt has served as a member of our board of directors since May 2018 and is the chair of our audit committee. In addition, Mr. Felt has served as the Chief Financial Officer of Domo, a cloud-based enterprise software company, since August 2014. CORPORATE GOVERNANCE

Controlled Company Exemption

We rely on the controlled company exemption under the Nasdaq corporate governance rules, including exemptions from certain corporate governance requirements such as requirements that:

- a majority of our board of directors consists of “independent directors,” as defined under the rules of Nasdaq;
- the compensation of our executive officers be determined, or recommended to the board of directors for determination, by majority vote of the independent directors or by a compensation committee comprised solely of independent directors;
- director nominees be selected, or recommended to the board of directors for selection, by majority vote of the independent directors or by a nomination committee comprised solely of independent director;
- the nominating and corporate governance committee be composed entirely of independent directors with a written charter addressing the committee’s purpose and responsibilities;
- the compensation committee be composed entirely of independent directors; and
- there be an annual performance evaluation of the nominating and corporate governance and compensation committees.

These exemptions do not modify the independence requirements for our audit committee, which require that our audit committee be comprised exclusively of independent directors.

Board of Directors’ Role in Risk Oversight

Our board of directors takes an enterprise-wide approach to risk management that seeks to complement our organizational objectives, strategic objectives, long-term organizational performance and the overall enhancement of shareholder value. Our board of directors assesses and considers the risks we face on an ongoing basis, including risks that are associated with our financial position, our competitive position and the impact of our operations on our cost structure. In addition, our board of directors reviews and assesses risks associated with the COVID-19 pandemic, the impact of component shortages and increases in logistics, shipping and freight costs, the impact of the conflict in Russia, Belarus and Ukraine, and information regarding cybersecurity risks and discusses them with management. Our board of directors’ approach to risk management includes understanding the risks we face, analyzing them with the latest information available and determining the steps that should be taken to manage those risks, with a view toward the appropriate level of risk for a company of our size and financial condition.

Our board of directors oversees the environmental, social and governance initiatives relevant to our Company and the associated risks.

Certain committees of our board of directors actively manage risk within their given purview and authority. Our audit committee has the responsibility for overseeing our major financial, legal and regulatory risk exposures, which span a variety of areas including litigation, regulatory compliance, reputational and policy matters, financial reporting and cybersecurity. Our audit committee also oversees the steps our management has taken to monitor and control these exposures, including policies and procedures for assessing and managing risk and related compliance efforts. Our compensation committee evaluates risks arising from compensation policies and practices. Each of our committees provides reports to the full board of directors regarding these and other matters.

Committees of the Board of Directors

Our board of directors has established an audit committee and a compensation committee. Each committee operates pursuant to a written charter that has been approved by our board of directors. A copy of the current charter for each of the audit committee and compensation committee is available on our website at www.cambiumnetworks.com. Transactions with Executive Officers and Directors

Indemnification Agreements with Officers and Directors

We entered into new indemnification agreements with all of our executive officers and directors in connection with our initial public offering in June 2019. Each indemnification agreement provides that we will indemnify the director or executive officer, as the case may be, to the fullest extent permitted by law for claims arising in his or her capacity as our director or executive officer, as the case may be, provided that he or she acted in good faith and in a manner that he or she reasonably believed to be in, or not opposed to, our best interests and, with respect to any criminal proceeding, had no reasonable cause to believe that his or her conduct was unlawful. In the event that we do not assume the defense of a claim against a director or such officer, we will be required to advance his or her expenses in connection with his or her defense, provided that he or she undertakes to repay all amounts advanced if it is ultimately determined that he or she is not entitled to be indemnified by us.

Employment Agreements

We have entered into agreements containing compensation, termination and change of control provision, among others, with certain of our executive offices as described in the section entitled “Executive compensation—Employment agreements and Potential payments upon termination or change-in-control” below.

Policies and Procedures for Related Person Transactions

Related person transactions, which we define as all transactions involving an executive officer, director or a holder of more than 5% of our shares, including any of their immediate family members and any entity owned or controlled by such persons, are reviewed and approved by the audit committee of our board of directors and a majority of disinterested directors on our board.

In any transaction involving a related person, our audit committee and board of directors considers all of the available material facts and circumstances of the transaction, including: the direct and indirect interests of the related persons; in the event the related person is a director (or immediate family member of a director or an entity with which a director is affiliated), the impact that the transaction will have on a director’s independence; the risks, costs and benefits of the transaction to us; and whether any alternative transactions or sources for comparable services or products are available.

After considering all such facts and circumstances, our audit committee and board determine whether approval or ratification of the related person transaction is in our best interests. For example, if our audit committee determines that the proposed terms of a related person transaction are reasonable and at least as favorable as could have been obtained from unrelated third parties, it will recommend to our board of directors that such transaction be approved or ratified. In addition, if a related person transaction will compromise the independence of one of our directors, our audit committee may recommend that our board of directors reject the transaction if it could affect our ability to comply with securities laws and regulations or the Nasdaq listing requirements.

The transactions described above that were entered into prior to our initial public offering and the adoption of our audit committee charter were approved by disinterested members of our board of directors after making a determination that the transaction was executed on terms no less favorable than those we could have obtained from unrelated third parties.

The policies and procedures described above for reviewing and approving related person transactions are set forth in our Policy for Approval of Related Party Transactions which was adopted in connection with our initial public offering. In addition, the charter for our audit committee provides that one of the committee’s responsibilities is to review and approve in advance any proposed related person transactions.

Pursuant to the written charter of our audit committee, our audit committee is responsible for reviewing and approving, prior to our entry into any such transaction, all related person transactions involving a principal shareholder, a member of the board of directors, senior management or an immediate family member of any of the aforementioned individuals. In addition, our Code of Business Conduct and Ethics requires that our officers and employees avoid taking for themselves personally opportunities that are discovered through the use of our property, information or position or use of our property, information or position for personal gain.

DIRECTOR COMPENSATION

Our directors who are not also (i) our officers or employees or (ii) affiliated with Vector Capital are eligible to receive cash compensation for their service on our board of directors. In addition, all directors have received equity awards with respect to our ordinary shares, although equity awards do not represent an annual component of our director compensation program. No equity awards were granted during 2021.

Our board of directors has approved the non-employee director compensation program set forth below, which did not change as compared to our 2020 non-employee director compensation program:

EXECUTIVE COMPENSATION

The following is a discussion and analysis of compensation arrangements of our named executive officers. As an “emerging growth company” as defined in the JOBS Act, we are not required to include a Compensation Discussion and Analysis section and have elected to comply with the scaled disclosure requirements applicable to emerging growth companies. In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on an advisory basis, of the compensation of our named executive officers or the frequency with which votes must be conducted.

Overview

This section provides a discussion of the compensation paid or awarded to our President and Chief Executive Officer and our two other most highly compensated executive officers as of December 31, 2021. We refer to these individuals as our “named executive officers.” For 2021, our named executive officers were:

- * Atul Bhatnagar, President and Chief Executive Officer and Director
- * Bryan Shepeck, SVP Global Sales
- * Sally Rau, General Counsel

Our current executive compensation program is intended to align executive compensation with our business objectives and to enable us to attract, retain and reward executive officers who contribute to our long-term success. The compensation paid or awarded to our named executive officers is generally based on the assessment of each individual’s performance compared against the business objectives established for the fiscal year as well as our historical compensation practices. We provide each of our named executive officers with an annual base salary, annual incentive compensation and long-term incentives. The details of our 2021 executive compensation program are discussed below.

Compensation of Named Executive Officers

Base salary

Base salaries are intended to provide a level of compensation sufficient to attract and retain an effective management team, when considered in combination with the other components of our executive compensation program. The relative levels of base salary for our named executive officers are designed to reflect each executive officer’s scope of responsibility and accountability with us. In 2021, annual base salaries for Messrs. Bhatnagar, Shepeck and Ms. Rau were \$500,000, \$300,000, and \$300,000, respectively. Please see the “Salary” column in the 2021 Summary Compensation Table for the base salary amounts received by each named executive officer in 2021.

Annual incentive compensation

We provide members of our senior leadership team with cash annual incentive compensation, either through our annual bonus program or through a commissions-based program.

Annual incentive compensation holds executives accountable, rewards the executives based on actual business results and helps create a “pay for performance” culture. Our annual incentive program provides variable compensation based on the achievement of performance goals established by the compensation committee of our board of directors at the beginning of fiscal year 2021. Under the 2021 annual incentive compensation program applicable to Messrs. Bhatnagar and Shepeck and Ms. Rau, variable compensation was payable based on the achievement of certain corporate financial performance measures relating to revenues and earnings before interest, taxes, depreciation and amortization, or EBITDA, with each factor weighted at 50%.

For 2021, the variable compensation opportunities for Mr. Bhatnagar and Ms. Rau were 100% and 40% of their respective base salaries. Following the end of 2021, the compensation committee reviewed our achievements against the revenue and EBITDA financial performance measures and determined that we met target levels of achievement at 167%, and, accordingly, incentive compensation was approved by the compensation committee and paid in March 2022 to each of Mr. Bhatnagar and Ms. Rau at 167% of target bonus levels. The variable compensation opportunity for Mr. Sheppeck was 100% of his base salary, with variable compensation delivered through a commission-based program also tied to achievement of revenue and EBITDA targets. Please see the “Non-Equity Incentive Plan Compensation” column in the 2021 Summary Compensation Table for the annual incentive amounts received by each named executive officer with respect to 2021.

Equity Compensation

To further align the interests of our executive officers with the interests of our shareholders and to further focus our executive officers on our long-term performance, we include equity compensation as a key component of our executive compensation program. In 2021, equity compensation was delivered in the form of share options to our named executive officers, which are viewed as supporting our “pay for performance” culture as share options will have no value unless our share price increases from the date of grant. During 2020 and 2021, equity compensation was paid to executive officers every other year; accordingly, equity awards were made to Mr. Sheppeck and Ms. Rau in 2021, but not to Mr. Bhatnagar as he received equity awards in 2020. The table below sets forth the grant date fair value of share options granted to Mr. Sheppeck and Ms. Rau during 2021.

Named Executive Officer	Share Options (\$) ⁽¹⁾
Bryan Sheppeck	427,195
Sally Rau	491,275

⁽¹⁾ These share options were awarded to Mr. Sheppeck and Ms. Rau on March 29, 2021, have an exercise price of \$42.52 per share, and vest 25% on the anniversary of the date of grant and in equal quarterly installments over the succeeding three years.

Please see the “Outstanding Equity Awards at 2021 Fiscal Year-End” table for information regarding outstanding equity awards held by our named executive officers as of December 31, 2021.

Employment Agreements and Potential Payments upon Termination or Change-in-Control

Existing executive employment arrangements

We are a party to an employment agreement with Mr. Bhatnagar that provides for certain severance and vesting benefits if he is involuntarily terminated, which benefits may vary if the involuntary termination was under certain circumstances in connection with or during the 12-month period following a change in control. We are also party to an offer letter with Ms. Rau that provides for certain severance benefits if she is involuntarily terminated, which benefits may vary if the involuntary termination was under certain circumstances in connection with or during the 12-month period following a change in control. As of December 31, 2021, we were not subject to an employment agreement or severance arrangement with Mr. Sheppeck that provided for separation benefits.

Mr. Bhatnagar's employment agreement provides for severance payments upon a termination without cause or a resignation for good reason (each as defined in the employment agreement), subject to Mr. Bhatnagar's execution and non-revocation of a general release of claims in favor of us. In either case, Mr. Bhatnagar would receive (i) base salary continuation and continued participation in our group health plans for Mr. Bhatnagar and his eligible dependents at our expense for 12 months following termination and (ii) a pro-rata portion of his annual bonus for the fiscal year in which the termination occurs based on actual performance for the year. If Mr. Bhatnagar's employment is terminated without cause or for good reason within 24 months before or after the occurrence of a change in control of the Company, all of his unvested equity would fully vest on his termination date.

Ms. Rau's offer letter provides that, if Ms. Rau's employment with us (or our successor) is terminated without cause at any time, Ms. Rau will receive three (3) months of base salary. If Ms. Rau's employment is terminated without cause or for good reason within 24 months before or after the occurrence of a change in control of the Company, all of her unvested equity would fully vest on her termination date.

Any unvested share options, RSUs or restricted shares held by our named executive officers will vest in full upon a change in control in which the awards are not effectively assumed or continued by the surviving or acquiring corporation.

401(k) Plan and Other Retirement Plans

We maintain a tax-qualified 401(k) retirement plan all U.S. employees who satisfy certain eligibility requirements, including requirements relating to age and length of service. Under our 401(k) plan, employees may elect to defer up to all eligible compensation, subject to applicable annual Internal Revenue Code limits. We match up to 4% of contributions made by our employees, including executives, with the match becoming fully vested after two years of service.

Compensation Risk Assessment

We conducted an assessment of the risks associated with our compensation practices and policies, and determined that risks arising from such policies and practices are not reasonably likely to have a material adverse effect on us. In conducting the assessment, we undertook a review of our compensation philosophies, our compensation governance structure and the design and oversight of our compensation programs. Overall, we believe that our programs include an appropriate mix of fixed and variable features, and short- and long-term incentives with compensation-based goals aligning with corporate goals.

PROPOSAL TWO

RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2022

Our board of directors and the audit committee are asking our shareholders to ratify the appointment by the audit committee of KPMG LLP (“KPMG”) as the independent public accounting firm to conduct the audit of our financial statements for the fiscal year ending December 31, 2022. Shareholder ratification of such selection is not required by our Amended and Restated Memorandum and Articles of Association or any other applicable legal requirement. However, our board of directors is submitting the selection of KPMG to our shareholders for ratification as a matter of good corporate governance.

In the event our shareholders fail to ratify the selection, the audit committee will reconsider whether or not to continue to retain KPMG for the fiscal year ending December 31, 2022. Even if the selection is ratified, the audit committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the audit committee believes that such a change should be made.

KPMG has audited our financial statements since May 2019. A representative of KPMG is expected to be present at the Annual Meeting and will have the opportunity to make a statement if he or she desires to do so and is expected to be available to respond to appropriate shareholder questions.

KPMG LLP, the UK firm affiliated with KPMG International (“KPMG UK”) was our independent registered public accounting firm for the year ended December 31, 2018. We dismissed KPMG UK in May 2019, and engaged KPMG LLP, the U.S. firm affiliated with KPMG international. The decision to change accountants was approved by the audit committee of the board of directors.

Principal Accountant Fees and Services

KPMG served as our principal accounting firm for the years ended December 31, 2021 and 2020.

Aggregate fees for professional services in the years ended December 31, 2021 and 2020 were as follows:

Name	Year Ended December 31,	
	2021	2020
Audit fees	\$ 961,310	\$ 1,100,348
Audit-related fees	—	—
Tax fees	—	—
All other fees	29,525	—
Total fees	\$ 990,835	\$ 1,100,348

Audit fees consists of fees for professional services rendered in connection with the audit of our consolidated financial statements, reviews of our quarterly consolidated financial statements, statutory audits of our international subsidiaries, issuances of consents and similar matters. This category also includes fees for services incurred in connection with the filing of our registration statements.

Audit-related fees consists of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our consolidated financial statements and not reported under “Audit fees”.

Tax fees represent the aggregate fees billed for professional services for tax compliance. All other fees represent the aggregate fees billed for products and services that are not included in the audit fees, audit-related fees, and tax fees.

All other fees includes fees incurred for work performed in connection with assessment of our internal control processes in preparation for compliance with requirements under the Sarbanes-Oxley Act.

Determination of Independence

In considering the nature of the services provided by our independent registered public accounting firm, the audit committee determined that such services are compatible with the provision of independent audit services. The audit committee discussed these services with our independent registered public accounting firm and our management to determine that they are permitted under the rules and regulations concerning auditor independence.

Additional information concerning the audit committee and its activities can be found in the following sections of this proxy statement: “Committee of the Board of Directors” and “Report of the Audit Committee.”

Pre-Approval Policy

According to policies adopted by the audit committee and ratified by our board of directors, to ensure compliance with the SEC’s rules regarding auditor independence, all audit and non-audit services to be provided by our independent registered public accounting firm must be pre-approved by the audit committee. The audit committee has established a general pre-approval policy for certain audit and non-audit services, up to a specified amount for each identified service that may be provided by the independent auditors. The audit committee may delegate pre-approval authority to one or more of its members.

The audit committee pre-approved one hundred percent (100%) of all services provided by KPMG during the years ended December 31, 2021 and 2020. The audit committee has considered the nature and amount of the fees billed by KPMG and believes that the provision of the services for activities unrelated to the audit is compatible with maintaining KPMG’s independence.

Recommendation of Our Board of Directors and Audit Committee

OUR BOARD OF DIRECTORS AND OUR AUDIT COMMITTEE UNANIMOUSLY RECOMMEND THAT OUR SHAREHOLDERS VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2022.

Report of the Audit Committee

The audit committee oversees our independent registered public accounting firm and assists our board of directors in fulfilling its oversight responsibilities on matters relating to the integrity of our financial statements, our compliance with legal and regulatory requirements and the independent registered public accounting firm's qualifications and independence by meeting regularly with the independent registered public accounting firm and financial management personnel. Management is responsible for the preparation, presentation and integrity of our financial statements.

In fulfilling its oversight responsibilities, the audit committee:

- reviewed and discussed our financial statements as of and for the fiscal year ended December 31, 2021 with management and KPMG;
- discussed with KPMG the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board and the SEC;
- received the communications from KPMG required by the applicable requirements of the Public Company Accounting Oversight Board; and
- discussed with KPMG its independence.

Based on the audit committee's review and discussions noted above, the audit committee recommended to our board of directors, and our board of directors approved, that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2021 for filing with the SEC. The audit committee also appointed KPMG as our independent registered public accounting firm for fiscal year ending December 31, 2022.
